4/14 Good Friday

4/16 Easter Sunday / Dessert table 1-3

4/21 Music with Tom Enneper 1:30

4/24 Music with Steve Thuss 1:30

4/26 Wayside Singers 9:30

Pie Bake sale

Pies were one of Harry Macco's favorite desserts. We will be hosting a pie bake sale to raise money for the Harry's Learn to SKI Foundation. There will be order forms available at the front desk. Order forms will be due back by April 7th. We will have the pies ready for your Easter Dinner. Pick up dates will be Friday April 14th and Saturday April 15th from 8-3:30. We will be making Cherry, Apple, Blueberry, Pumpkin, Lemon, Oreo, and Banana. The cost will be \$7.00 a pie.

Cooking with Nancy

Pistachio Cake

Prep:20 Mins

Cook:50 Mins

Ingredients

1 pk Yellow Cake Mix (18.25 oz)

1 pk Instant Pistachio Pudding
Mix (3.4 oz)

4 Whole eggs

1 ½ cup Water

¼ cup Vegetable Oil

½ teaspoon Almond Extract

Preparation

Preheat oven to 350 degrees. Grease and flour a 10 inch tube pan. In a large bowl mix together cake mix and pudding mix. Make a well in the center and pour in eggs, water, oil, and almond extract. Blend ingredients, and then beat for 2 minutes at medium speed. Pour into the 10 in tube pan. Bake in the preheated oven for 50-55 minutes or until cake springs back when lightly pressed. Cool in the pan 15 minutes. Turn out onto a wire rack and cool completely. Frost with pastel colors for a delicious spring looking cake.

Reminisce by Lori

April Showers bring May flowers. This is the time of year when I was younger that my Mom would take us shopping to pick up seeds to plant. We always had a huge vegetables garden. Flower gardens were found on ever side of our house. Some down by the machine shed and the barn. That still was not enough. She built many flower beds in the middle of the lawn. What a beautiful site it was to watch the flowers bloom and the vegetables grow. Then the great flavor you got when eating the home grown vegetables and the smell in the house from freshly cut flowers from the garden.

April National Gardening Month

Gardening is the practice of growing and cultivating plants as part of [horticulture](#). In gardens, [ornamental plants](#) are often grown for their [flowers](#), [foliage](#), or overall appearance; useful plants, such as [root vegetables](#), [leaf vegetables](#), [fruits](#), and [herbs](#), are grown for consumption, for use as [dyes](#), or for [medicinal](#) or [cosmetic](#) use. Gardening is considered to be a relaxing activity for many people.

Gardening ranges in scale from [fruit orchards](#), to long [boulevard](#) plantings with one or more different types of [shrubs](#), [trees](#), and [herbaceous plants](#), to residential [yards](#) including lawns and foundation plantings, to plants in large or small containers grown inside or outside. Gardening may be very specialized, with only one type of plant grown, or involve a large number of different plants in mixed plantings. It involves an active participation in the growing of plants, and tends to be labor-intensive, which differentiates it from [farming](#) or [forestry](#)

Families are invited to our Ice Cream Social on April 22nd from 1:30-3:00

**Reminder:
Please check in the Nurses Station for any mail your loved one may have.**
