## Resident of the Month

April's Resident of the Month is Delores Z! Delores was born in Marinette, Wis. She married the love of her life, John, and had four amazing children and some grandchildren.

Delores's favorite food is chicken because it can be made so many different ways. She enjoys drinking coke during happy hour and her favorite animals are dogs and cats. Some of her hobbies she has enjoyed include knitting, sewing, cooking and crocheting. Her current favorite hobbies are word searches and bingo.

Delores was a teacher and molded the minds from Kindergarten to 8<sup>th</sup> grade for many years. A favorite childhood memory of Delores's was visiting her aunt in Chicago when she was a child, which later became her favorite city she has travelled.

If Delores were to be stranded on a deserted island with only one movie, it would be "Gone with the Wind". She enjoys all types of music and even used to play the guitar.

The biggest events in Delores's life are her marriage, birth of her children, and graduating from high school and college. Four things she couldn't live without are family, friends, faith, and word searches. Something Delores would like everyone to know about her is she loves people and meeting new people. She loved being a teacher and is proud of her previous work.

Birch Creek is honored to have Delores Z. as this month's Resident of the Month.
