Resident of the Month

~ Bonny Vahey ~

Bonny went to high school in East Troy, WI. She graduated from College at the University of Wisconsin- Madison. She has one brother, Harry. She has two children, Tom and Colleen. She has five grandchildren; Brandon, Brittney, Nathan, Ben, Christopher.

Bonny was a middle school teacher, stay at home mom and then a substitute teacher and school secretary. She retired as a school secretary for Gibraltar area School District in Door County, WI.

Some of her favorite hobbies are working with children and visiting with friends and family!

Her favorite thing about Allouez Parkside Village is being closer to family and the warmth of the fireplace.

Her advice would be to
"Always be kind to one another"!

Shining Star~

Stefani Stilen- Lead CNA

Congratulations Stef!

Stef was chosen to be this month's Shining Star because of relentless dedication to giving our residents the best care. Stef is always willing to help anyone and put in the extra effort if needed. She has outstanding teamwork skills. Not only do residents appreciate everything she does, but staff also.

Stef was born in New London Wisconsin.

In her spare time, she enjoys camping, hiking, concerts, fishing, kayaking and basically any outdoor activity. Stef's favorite place to visit is Amnicon Falls state park in Wisconsin. While visiting she enjoys swimming. You can even swim into and behind the waterfall. The sights are also very beautiful.

In ten years from now Stef sees herself further in nursing or physical therapy. Have a family. Overall be happy. Stef has worked at Assisted Living by Hillcrest for five years.

Family is very important to Stef. She loves going back to New London to visit family and friends. She has one younger brother. At her home Stef has two dogs named Duke and Charlie.

When asked what she likes most about her job Stef said, "Taking care of and helping people who need it the most and cannot repay you."

Stef's favorite foods are chili and French fries.

Favorite time of year Stef enjoys most is between summer or fall. Both seasons are pretty and she can enjoy many outdoor activities.

If Stef won the lottery, she would make sure my loved ones were set. Open an animal shelter/rescue. Buy some land somewhere beautiful. Oh and of course by a pet fox.

Thank you for all do, Stef!!
