Resident of the Month

Joan Radart

Meet Joan! Joan grew up on a farm in Luxemburg, Wisconsin. Her family raised cows, a few pigs and had cats and dogs on the farm.

She moved to Green Bay area when she became a banker. Started at People's Bank of Green Bay at 18 years old and retired at 55. In the beginning of her career she started as a book keeper, working her way up to credit officer.

Joan's past hobbies included biking, going to the beach and visiting Lake Michigan. Currently Joan enjoys baking cookies. Chocolate chip is her favorite. With Spring here, Joan is excited to go outside. Spend time with friends/family on the patio.

Allouez Parkside Village provides many joys for Joan, her favorites are the friendly residents/staff and the meals. The food is great Joan says. CNA's are very caring. Joan loves attending church on Thursday and Sundays.

Joan's advice she would give is, "It's your world and your job to make your own choices!"
