At Church he was a worship leader, Sunday school teacher and deacon.

Bill's favorite thing about living at Allouez Parkside Village is the staff. They have been very good.

If Bill could give any advice he would say, "Embrace your faith in the home stretch while our bones are breaking, we are all promised fresh new bodies and an eternity with Jesus Christ.

Shining Star

Congratulations Jen!

Jen was chosen to be May's Shining Star because of her energetic personality, dancing skills and love for her position. Her skills were meant for Life Enrichment departed. Residents always have a great time when Jen leads activities.

Jen was born in Lubbock Texas. Hobbies she enjoys are hiking, reading, volunteering for Veteran events and spending time with her kids and hubby.

No location of travel stands out to Jen. When she was thirteen, she enjoyed going on a family road trip from Texas to Washington, then back. Its was a vacation she enjoyed then and the memories still.

In ten years, Jen sees herself cruising around the U.S. in an RV. Working for state parks.

Jen has worked at Hillcrest for a year and a half. She has three children of her own. Two sons and a daughter. She has two bothers and one sister. Favorite thing about her job is loving the residents and make them smile.

Meal of choice would be a favorite Texan meal, Steak with a side of potatoes. Time of year Jen enjoys the most is Summer. Spend all day outside with her kids.

If Jen won the lottery, she would open a ranch for children with special needs.
