RESIDENT OF THE MONTH

Meet Michelle, she grew up in Green Bay Wisconsin. She went to Green Bay Preble High School. She has lived in Fond du Lac for over 25 years. Michelle has two sisters and four brothers. Michelle is happily married to Dennis Compton. Michelle worked at hotels doing housekeeping. She also worked in restraunts doing different jobs.

Some hobbies she enjoys are looking on Facebook, bird watching, doing word searches, and lottery scratch offs.

Michelle loves the activities and the interaction that she has with staff. Michelle feels like she has her own space. Michelle enjoys going outside for walks and go down by the pond with her electric wheelchair.

Michelle's Advice she would give is, "Make the best of what you have!"

SHINING STAR

Taylor Hultman
Life Enrichment

Congratulations Taylor!

Taylor was chosen to be Junes Shining Star because she is a team player, has patience with the residents, helps other staff members when needed. She also has a great work ethic.

Taylor was born in Green Bay, Wisconsin. Hobbies that she enjoys are reading, playing video games, walking outside with her dog Emilie, and swimming at her grandma's house.

Favorite place that Taylor traveled was Wizarding World of Harry Potter in Universal Studios in Orlando, Florida. It was her first time on an airplane. In ten years, Taylor would like to still be working in Life Enrichment at Allouez Parkside Village.

Taylor has one older brother named Alex, he is 5 years older than her. They are close but he is a very over protective, a typical big brother.

What Taylor loves most about her job is spending time with the residents, getting to know them and hear all their stories. Also loves when she makes them smile and laugh!

Favorite food is anything eggs!

Season she most enjoys is Summer because she loves to hike and travel with friends or her dog.

If Taylor won the lottery, she would buy a house with lots of land and adopt animals that need homes.

She would love to make a paradise for them!
