Resident of the Month

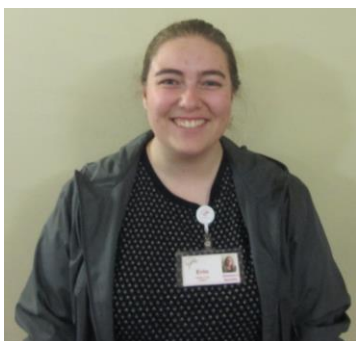

Bob grew up in Bellevue Wisconsin. He married the love of his life Helen. They have been married for over 60 years. Bob farmed until 1964. Working at Fort Howard for 32 years, until his retirement in 1996.

Throughout Bob's life he has enjoyed hobbies like gardening, beef farming, bowling and volunteering with the Bellevue volunteer fire department. He is an original member of the Bellevue volunteer fire department. A proud moment for Bob was winning the Higher Bowler Award.

After retirement Bob enjoyed going to Florida with his wife. Going on family trips, and trips with friends was something Bob enjoyed. Currently Bob enjoys attending morning prayer, Garden Club and live music.

Shining Star

Erin Jenquin

Erin was chosen to be June's Shining Star because of her ability to work with residents, being a great co-worker, bubbly personality and going above her position when needed.

Erin was born in Green Bay WI. She will graduate from East High school this year.

Recently she has taken up the hobby of photography. Erin enjoys going for nature walks and capturing a few photos. At school, Erin enjoys performing in musicals and playing softball.

New Orleans is Erin's favorite place she has traveled so far. She says, "Its full of music in the street and the food is to die for." Erin goes to New Orleans almost every year.

In ten years Erin hopes to be completing graduate/post graduate school with a degree either in pharmacy or pharmacology.

Erin has been at Assisted living by Hillcrest for almost two years. What she enjoys most about her job is seeing the smiling faces of residents when she comes in. It always brightens her day. Her favorite food is fettuchini alfredo with tiramisu as a dessert.

Her favorite time of year is spring. Erin enjoys the mild weather and watching nature blossom. If Erin won the lottery she would buy a house and a car. Pay off her future student loans, then donate the rest to both cancer and dementia research because that is what I'm passionate about. Also she says she wouldn't know what to do with all of the money.
