## FRIENDLY REMINDER:

Per DHS Code 83 any prescription the facility administers to a resident must be individually bubble packed for the resident.

If choosing to pick up a prescription from a pharmacy, other than Uvanta, please request the pharmacy to bubble pack it prior to dropping it off at the facility.

If the pharmacy is unable to bubble pack the prescription it will be sent to Uvanta for packaging at the resident's expense.

Please see the facility if you have questions.

## WEST HAVEN'S RESIDENT OF THE MONTH IS DON CHERMAK!

Don was born and raised in Manitowoc, WI. He says he was born to a "Cech Dad and Scott Mom", and has one older brother. His father was part of the Chermak Meat Market!

Don graduated from Lincoln High School in 1962, then went onto UW Oshkosh for college. He began teaching elementary school, after finishing college, in Waukesha. After 3 years, he returned to college to earn his Masters at UW-Superior, then taught Psychology at LTC until retirement. During his strong teaching career he and his wife raised 4 children, who all attended Kiel High School.

While growing up Don learned to love the outdoors and playing sports. He participated in all hunting and fishing activities. Today he enjoys watching others compete, especially his grandchildren!

Don's favorite thing about living at West Haven is the supportive and caring staff, aside from the beautiful facility it is.

His advice for everyone: Laugh a lot with one another and at ourselves. Each day is bright, whether sunny or not.

## WEST HAVEN'S EMPLOYEE OF THE MONTH IS PAM BRAUN!

Pam has been a caregiver at West Haven for 7 years! What she enjoys most is interacting with the residents, making them feel safe and secure.

What keeps Pam busy when she is not at West Haven? She enjoys gardening, traveling and thrift store shopping! Pam's favorite places she has traveled includes Ireland, Germany and Alaska. She says they are all her favorite places as each has something unique about it, whether it be their culture or local people.

In 10 years Pam see's herself retired and enjoying traveling. Her hopes are to become a snowbird sooner!

Pam enjoys a good Friday night perch plate. Her favorite Fish stops are Redwood Inn, Green Bay and Marsh Inn, Collins. Fall is her favorite time of year due to the color changing leaves.

If Pam ever won the lottery she'd share with her family and friends!

**Assisted Living By Hillcrest** would like to show our support in honoring our Veterans by providing the once in a lifetime experience of **"The Old Glory Honor Flight."** This flight allows our Veterans to see the Memorial Wall in Washington D.C. It is free for Veterans, but requires the guardian/family member a charge of approximately \$500.00 to accompany their loved one.

**Assisted Living By Hillcrest** would like to ensure our resident Veterans and their guardian/family member the opportunity to partake in this flight by providing the financial support with a monetary donation.

An application can be completed by visiting [www.oldgloryhonorflight.org](http://www.oldgloryhonorflight.org). Please contact us after completing the application, as we will accept on a first come, first serve basis.

With respect, honor and gratitude,
