## RESIDENT OF THE MONTH

### AUGUST

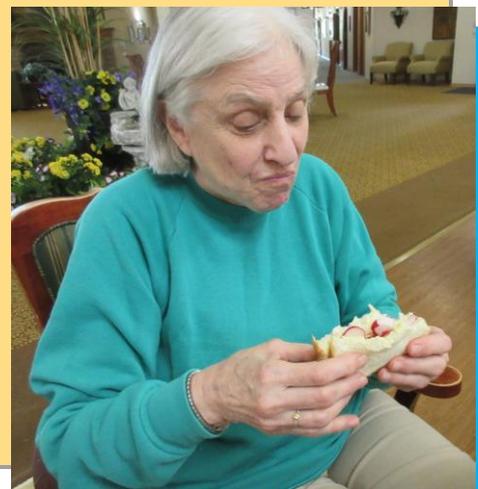

**MARY REINKE**

Mary was born December 17, 1928. She grew up on a farm just north of Brillion with 12 brothers and sisters.

Mary was married to her late husband, Leo Reinke, who was in the service and later came home to work at Kellers. Mary was a homemaker and mother to her 4 adopted children. In her spare time, Mary loves to tend to her flowers and garden.

Mary's favorite thing about living at Brillion West Haven is that it is so close to home and all of her family and friends.

Activities are still being offered to our residents daily. We've been playing plenty of BINGO, Pokeno & Black-Out Dice in the morning after warming up with Seniorcise. Residents have also been enjoying sing-a-longs, crafts, patio visiting & Nancy's Ice Cream Cart in the afternoons. Pictured to the right are our residents enjoying fresh radishes from our garden and having fun making flower wreaths out of embroidery hoops.
