Francis Siegwarth

Resident of the Month

Rita Arnhoelter

Rita grew up and attended school in Green Bay. After high school Rita worked as a bookkeeper for the Milwaukee Railroad. The Railroad typically only hired men, but as Rita says, they gave her “3 days to pan out.” She worked her way to the top within 2 years. Rita was treated with respect, typed up invoices for incoming and outgoing freight for 22 years. She worked with all men, and says they were good family men who took her out to lunch daily.

She met her late husband, Dutch, after a Green Bay Packer game at Spot Bar. She left the Railroad and moved to Brillion in 1955, where her husband was postmaster and they built their home.

Rita has one son, Bill, who enjoyed 46 years of life on earth before passing.

After retiring Rita enjoyed many mornings playing golf at Deer Run. Her first year she played 141 rounds! Her favorite thing about living at West Haven is the people she's met. Rita's advice is “Take life as it comes.”

Meet our Staff Member of the Month

Grant Rosenbaum

Grant has worked with Brillion West Haven for about a year and a half. His favorite part about his job is caring for the residents and working with his fun and dedicated coworkers.

Grant was born in Green Bay, Wisconsin and has a wonderful mom and dad, and an awesome 24-year-old brother.

When not at work, Grant enjoys reading, watching Netflix and sports, and playing with his cat. In his free time, Grant also likes to play the guitar.

Spring is Grants favorite season because of the mild weather and lots of basketball.

Grant is not sure where he sees himself in 10 years, he just hopes to be able to continue to work in healthcare and care for people.

If Grant ever wins big on the lottery, he will give a good portion of the money to his parents, some of it to charity, and then buy a house for himself.

We are very grateful to have Grant as a part of our team here at West Haven. His hard work and dedication to giving our residents the care they need and deserve is highly appreciated.

Special Congratulations

Sara Robinson:

Sara has been promoted to the Staffing Director of Assisted Living By Hillcrest. Sara was formerly the Assisted Director of Resident Services. You may still see Sara around, as she makes her way to each of the facilities throughout the week.

Hailey Gatz:

Hailey is promoted to the Assistant Director of Resident Services/ADRS, and is sharing the front office with Lisa, RN/DRS. Hailey has been a part of the Brillion West Haven team as a CNA for the past seven years.

We wish them both a huge Congratulations & extend sincere appreciation for their hard work & dedication.

Every Day Is Earth Day

On April 22, 1970, Senator Gaylord Nelson of Wisconsin was so concerned about the deteriorating natural landscape of the United States that he organized the first Earth Day, a day of teach-ins on college campuses to raise awareness of air and water pollution. America's passionate response to Earth Day surprised Nelson. Millions of Americans, regardless of political affiliation, race, or creed, banded together to support protecting the environment. By the end of 1970, President Nixon had created the Environmental Protection Agency, and shortly thereafter Congress passed the Clean Air Act and Clean Water Act. It's been over 50 years since that first Earth Day, and environmental action has never seemed more urgent. While it is up to major corporations to reduce their carbon footprints, individuals can still do their part by eating more plant-based foods, buying less, composting, and supporting local businesses.

Easter Fun Facts

- Easter Baskets have special symbolism
 - The woven containers represent nests and new life, especially when filled to the brim with eggs.
- Easter and Halloween often compete for the highest candy sales every year.
 - The two holidays are always going head-to-head to have the most candy sales, usually coming close to each other. In fact, some years people buy more candy the week before Easter than the week before Halloween, but that's because Halloween purchases are more spread out over the month leading up to the spooky night.
- Easter clothes used to be considered good luck.
 - Old superstition held that if you wore new clothes on Easter, you would have good luck for the rest of the year.

VISITATION POLICY UPDATE

Effective immediately, family and friends are welcome to visit in resident apartments, in our visitation room or for outdoor patio visits, 7 days a week from 8 a.m. – 8 p.m..

Please call to schedule in room visits/appointments Monday-Friday between 8am-4pm.

We may not be able to accommodate visitors who show without a scheduled appointment.

GUIDELINES FOR VISITATION:

- Each visitor is to screen themselves upon entry to the facility. This screening process includes:
 - sign in
 - log own temperature with provided thermometer
 - complete symptom questionnaire
 - wear a mask
 - wash hands with alcohol-based hand sanitizer. *The facility will have a screening table just inside the entrance where you will find instructions and material needed to check in appropriately*
- Once the screening process is completed, we ask that visitors go directly to the room of whom you are visiting
- Please maintain physical distancing with other residents and staff when in hallways, and while visiting in the room.
- If needing to speak to a staff member please call the facility, or use the residents call pendant, to have a staff member come to the residents' room.
- **Please do not walk about the facility, focus on going only to and from the resident's room.**
- We are allowing each resident to have up to 2 visitors at a given time, in effort to accommodate all residents to accept visitors.
- In room visits may be up to one-hour long
- Children are welcome to visit as long as they are able to wear a properly fitting face mask.
- Visiting exceptions will be made for end-of-life circumstances per the Director's discretion.

If you exhibit symptoms of COVID-19, Influenza or the common cold, or have been exposed, please post pone your visit. In addition, if you develop any symptoms of COVID-19, have been exposed or test positive within 14 days after you've visited the facility, please call to report this.

As the weather gets nicer out, you are welcome to enjoy an unscheduled, outdoor patio or front porch visit at your leisure.

Attending in person doctor appointments is permitted, and our facilities are happy to continue with Telemed visits as well.

Residents may leave the facility for an outing with family or friends if they wish. We ask to be notified in advance so we can prepare medications for the resident to take with them, notify the kitchen if resident will not be present for meals, and to have an estimated time of return.

When out with family and friends, we strongly encourage residents to wear a face mask, social distance of 6 feet, avoid crowds and use proper hand hygiene. Though we are unable to control where a resident chooses to go, we ask for everyone to be mindful of their actions, places they may visit and consider the potential risk of exposure.

For those residents choosing to leave the facility, we will monitor them for any development of illness.

At this time, we are unable to accommodate visitors to dine or attend activities with residents while in the facility.

Worship and church personnel are able to visit their members, while following our visitation guidelines.

Visitors choosing to not comply with the facilities guidelines will be asked to leave.

If you have comments or questions please contact the facility, we are here to help.

We look forward to seeing you all again!
