Keegan! Our June Shining Star

Keegan was chosen to be this month's shining star because of her caring and nurturing nature. She goes the extra mile to ensure our residents get the care they need. She is dependable and is always willing to help - with a smile. Keegan is a PCW. Keegan was born in Two Rivers, WI and has been with Assisted Living by Hillcrest for almost 3 months. Helping others is her favorite thing about her job. Keegan loves the residents and enjoys assisting them with whatever they might need. In ten years, she plans to be peaceful, happy and full of wisdom. Keegan has an amazing brother who has two children. Her niece and nephew are ages 6 and 8 respectively. Keegan loves them more than anything. Keegan's favorite food is fresh fruit. Keegan's favorite time of the year is fall. Some of her favorite things are cooler temps, hot tea and cozy sweaters. Out of all the places that she has visited, Keegan enjoyed going to Europe the most. She loves the history, the way of living and the food! It is a beautiful place to visit. Thank you Keegan for all you do for Allouez Parkside Village!

Rock-Hard Artwork.

July 3 is International Drop a Rock Day, a day when people all around the world will participate in the simple act of painting rocks and leaving their small pieces of artwork in places for others to find and enjoy. These small acts of public art are like small, warm hugs for passersby. While it is easy to find rocks to paint while strolling your neighborhood, landscaping and gardening stores often sell rocks for minimal cost. First, make sure to wash your rock of any dirt and debris. Some choose to apply a base coat of paint to create a blank canvas, while others love the look of bare rock as a background. Acrylic paint is perfect for painting rocks, but some people choose paint pens for their ease of use. Lastly, applying a spray sealer will ensure that your artwork lasts, but some enjoy the notion that rock art is temporary. When the paint rubs off over time, someone else will get to paint a fresh message or picture.

Life Enrichment Updates:

Summer will soon be here and the days are getting longer! That also means the weather is getting nicer! We have been able to go outside on the patio already and soon we will be able to have more activities outside! Towards the end of May, beginning of June, we'll be getting our gardens in and we look forward to caring for them together. This month's activities will include but are not limited to, gardening, socials on the patio, holiday themed crafts (for example, a Father's Day craft), Bingo, various dice games, manicures, happy hour and so much more! Starting in May we have been having live entertainment come in twice a month! We look forward to continuing that tradition into June!
