## Couple of the Month!

### Meet Jean and Bill!

Jean and Bill were chosen as our couple of the month! They both were born in Green Bay! Jean and Bill met on a bridge in DePere. Bill and his buddies had “car troubles”and Jean and her friends helped push the car over the bridge and the rest is history! They were married in June of 1956 and have been married for 65 years! Jean and Bill have 6 children and they are very proud of them. Jean was a homemaker and Bill was a laborer. Jean and Bill can often be found sitting outside on the patio enjoying the nice weather and watching the birds. Listening to music is also a favorite pastime and they enjoy the entertainers that come to Allouez Parkside Village. A piece of advice they have is “to always be kind and live life to the fullest”.

*Meet Monserrat - our July Shining Star*

**Monserrat was chosen to be this month's shining star because of her caring and nurturing nature. She goes the extra mile to ensure our residents get the care they need. She is dependable and is always willing to help - with a smile. Monserrat works in the kitchen. Monserrat was born in Green Bay, WI and has been with Assisted Living by Hillcrest for 1 year and 3 months. Interacting with the residents is her favorite thing about her job. Monserrat loves the residents and enjoys helping them with whatever they might need. In ten years, she hopes to be well traveled and successful in all that she does. Monserrat has two younger brothers and a younger sister.**

**Monserrat's favorite season is fall because of the beautiful leaves, Halloween and apple pie. She enjoys taking her dog for a walk, reading and watching the newest shows on Netflix or Hulu. Monserrat's favorite meal is spaghetti and meatballs. If Monserrat ever won the lottery, she would use it to travel the world. Thank you Monserrat for all you do! You truly are a shining star!**

## Visiting Updates

Effective immediately, family and friends are welcome to visit in resident apartments, in our visitation room or for outdoor porch or patio visits WITHOUT scheduling an appointment. Visitors are welcome 7 days a week from 8 a.m. – 8 p.m., with an unlimited number of visitors per resident at a time. GUIDELINES FOR VISITATION: • Each visitor is to screen themselves upon entry to the facility & wear a mask at all times. This screening process includes: sign in & log own temperature with provided thermometer. Complete symptom questionnaire and wash hands with alcohol-based hand sanitizer. The facility will have a screening table just inside the entrance where you will find instructions and material needed to check in appropriately. Once the screening process is completed, we ask that visitors go directly to the room of whom you are visiting. Please maintain physical distancing with other residents and staff when in hallways. If needing to speak to a staff member please call the facility, or use the residents call pendant, to have a staff member come to the residents' room. Please do not walk about the facility, focus on going only to and from the resident's room. Children are welcome to visit as long as they are able to wear a properly fitting face mask. Visiting exceptions will be made for end-of-life circumstances per the Director's discretion. If you exhibit symptoms of COVID-19, Influenza or the common cold, or have been exposed, please postpone your visit. In addition, if you develop any symptoms of COVID-19, have been exposed or test positive within 14 days after you've visited the facility, please call to report this. Attending in person doctor appointments is permitted, and our facilities are happy to continue with Telemed visits as well. Residents may leave the facility for an outing with family or friends if they wish. We ask to be notified in advance so we can prepare medications for the resident to take with them, notify the kitchen if resident will not be present for meals, sign the resident out and to have an estimated time of return. At this time, we are unable to accommodate visitors to dine or attend activities with residents while in the facility. Worship and church personnel are able to visit their members. Visitors choosing to not comply with the facilities guidelines will be asked to leave. Please reach out with any questions you may have

## Life Enrichment Updates

Summer is here and the days are getting hotter! Our gardens are looking wonderful and we are looking forward to harvesting our tomatoes and other veggies. On July 21st we will be having a Baseball themed day, where we will have different foods that one would get at the ballpark. We will be encouraging staff and residents to wear their best or favorite baseball jerseys/hats (preferably Brewers but can be for any team). Some of our featured snacks will include: popcorn, brats, peanuts and so much more! We are looking forward to July 21st! We also will be having the Ice Cream Truck visit again in July
