## Resident of the Month!

### Meet Judy!

Judy was born in Milwaukee, Wisconsin and moved to Green Bay at the age of 4. Judy has two children, one son and one daughter. Judy was a homemaker until her children were in school then she worked in Home Healthcare as an aid. She also worked in a nursing home as a CNA. Judy loves to watch crime shows as well as the Hallmark channel. Judy loves meeting new people and eating ice cream. Her favorite thing about living at Allouez Parkside Village is all the different and interesting people she has met. Judy's advice is, "If you need anything, you have to reach out and tell others".

*Meet CeCe - our July Shining Star*

CeCe was chosen to be this month's shining star because of her caring and nurturing nature. She goes the extra mile to ensure our residents get the care they need. She is dependable and is always willing to help - with a smile. Rachel is a PCW. CeCe was born in Kewaunee and grew up in Green Bay, WI and has been with Assisted Living by Hillcrest for almost 4 months. Coming into work and seeing the residents smile is her favorite thing about her job. CeCe loves the residents and enjoys helping them with whatever they might need. In ten years, she plans to be graduated from Bellin College, married and hopefully going on another cruise. CeCe has an older brother who is 7 years older than her. CeCe's favorite season is fall and summer. She enjoys spending time with family, as well as going tubing and attending bonfires. CeCe's favorite meal is her mom's chicken and dumplings. If CeCe ever won the lottery, she would pay off her debt, buy a house with farmland and invest the remaining money in the stockmarket and Roth IRA's. Thank you CeCe for all you do!

Effective immediately, family and friends are welcome to visit in resident apartments, in our visitation room or for outdoor porch or patio visits WITHOUT scheduling an appointment. Visitors are welcome 7 days a week from 8 a.m. – 8 p.m., with an unlimited number of visitors per resident at a time. GUIDELINES FOR VISITATION: • Each visitor is to screen themselves upon entry to the facility & wear a mask at all times. This screening process includes: sign in & log own temperature with provided thermometer. Complete symptom questionnaire and wash hands with alcohol-based hand sanitizer. The facility will have a screening table just inside the entrance where you will find instructions and material needed to check in appropriately. Once the screening process is completed, we ask that visitors go directly to the room of whom you are visiting. Please maintain physical distancing with other residents and staff when in hallways. If needing to speak to a staff member please call the facility, or use the residents call pendant, to have a staff member come to the residents' room. Please do not walk about the facility, focus on going only to and from the resident's room. Children are welcome to visit as long as they are able to wear a properly fitting face mask. Visiting exceptions will be made for end-of-life circumstances per the Director's discretion.
