Resident of the Month

MARGARET B.

Margaret has been a resident at West Haven since November of 2017!!

Not only is Margaret resident of the month but it is also her birthday on July 4th. Margaret was born in Manitowoc County in the town of Rantoul.

Margaret and her husband Russell were farmers and hauled their own milk to the cheese factory which was right across the street from the grade school that she attended.

Margaret has one brother and seven children. Margaret's favorite hobbies include baking cookies, reading, and spending time with her children. Her favorite thing about West Haven is when she asks for help someone always helps hers.

*Happy Birthday
Margaret!*

VISITATION

With covid-19 cases being low in Calumet County there is no longer a need to wear a mask or take your temperature. We do have a sign at the front door saying Calumet County is low. If anything changes we will update the sign and keep everyone up to date. If you have any questions regarding this, please let us know.

Meet our Employee of the Month... GRANT ROSENBAUM!

Grant has been a caregiver at West Haven since August 2019. His favorite part about his job is making all the residents smile when they see him and all of his awesome co-workers. Grant attended Wrightstown High School and then went to UW-Madison. Grant has a younger brother who is 26 years old, and he has a grey cat named Eve. Grant's favorite hobbies are playing video games, watching sports, reading, and listening to relaxing music. His favorite sports teams to watch are the Packers, Bucks, Badgers, & the Brewers. Grant's favorite food is Van Able's green beans. In ten years, Grant would like to be married and have a lovely family. Grant has never been outside of the US and would love to travel to London and Egypt to see the great pyramids. If Grant won the lottery he would donate most of it to charity, give most of it to his parents, and the rest toward a house.

Keeping those in close memory...
