## Employee of the Month Barb Haese

Barb has been working for Assisted Living by Hillcrest for 13 years! Barb is a dedicated hard worker who loves coming into work and seeing the residents. She loves to be able to visit with them and really get to know them.

Barb comes from a family with seven siblings. She has three brothers and four sisters. She is originally from Valders but moved to Reedsville with her husband to live on the farm. Barb raised her three children on the farm as well.

Barb loves to spend time with her family. Other hobbies barb likes are reading and cleaning!

Barb enjoys to watch football.....The Green Bay Packers of course! Some of her favorite foods are pizza, chicken, tacos and cherries.

Barb is hoping in the next 10 years to be retired and enjoying all life has to offer. "Hopefully some grandbabies by then"

She would love to travel to 29 Palms to see her son who's in the military.

If Barb won the lottery, she would travel the world and take it easy.
