## Resident of the Month

### IONE GERRITS

Ione grew up in Wrightstown on a farm. There was 3 girls and 4 boys. Ione had 4 children herself, 2 boys and 2 girls. She has 11 grandchildren and 11 great grandchildren. Ione and her husband Budd were farmers. Ione also worked for White Clover Dairy for 20 years.

Ione's favorite hobbies are playing cards, enjoying the outdoors, gardening, and baking/cooking. Ione's favorite thing about living at West Haven is she enjoys the

people and activities. She also enjoys sitting outside and the meals with the residents. A fun fact about Ione is that her and her husband did lots of traveling. In the winter her and her husband resided in Fountain Hills, AZ. What Ione loves most is spending time with her children, grandchildren, and great grandchildren!

## Autumn Winds

Autumn winds begin to blow,

Colored leaves fall fast and slow.

Whirling, twirling all around,

Till at last they touch the ground.

## Employee of the Month

### JACKIE NELSON

Jackie has worked at West Haven since 2014, 8 years! Jackie's favorite part about her job is caring and talking with the residents. She loves to hear about the stories of the past and keeping their rooms clean & tidy.

Jackie was born into farming with her 2 sisters. Her dad raised beef and sheep. Jackie is married and has 3 children, a boy & 2 girls. She also has 2 grandchildren, a boy & a girl.

Jackie's favorite hobbies are gardening, being outside, babysitting her grandkids, and flowers. Her favorite sport to watch is Nascar and the Green Bay Packers. Jackie's favorite food is Thanksgiving turkey and all the fixings. In 10 years Jackie wants to enjoy the grandkids growing up, travel more, retiring, and enjoy what comes her way. Jackie's favorite place she traveled was in 1987 to Europe for 2 weeks. She would love to travel more in the USA and see more states. If she won the lottery she would share with her family, buy more land, and a big home for her family to visit.
