Slow - Cooked Apple Cranberry Cider

Buffets are my favorite way to feed a crowd. This fruity cider can be made ahead, then kept warm in a slow cooker so people can serve themselves. Our residents loved it!

Prep time: 5 Min. | Cook: 2hrs | Yield: 11 servings

- 3 cinnamon sticks (3inches). Broken
- 1 tsp. whole cloves
- 2 quarts apple cider or juice
- 3 cups cranberry juice
- 2 tbs. brown sugar

Place cinnamon sticks and cloves on a double thickness of cheesecloth. Bring up corners of cloth and tie with string to form a bag.

In a 5-quart slow cooker, combine the cider, cranberry juice, and brown sugar; add spice bag. Cover and cook on high for two hours or until cider reaches desired temperature. Discard spice bag.

Fall Food Drive

During the first two weeks of November, we will be hosting a food drive at each of our facilities. Families and staff are welcome to place donations in the grocery cart in the main entrance. Please join in the friendly competition to see which facility can gather the most donations. Assisted Living by Hillcrest will be matching all donations!

Employee of the Month: Amber Rodriguez

Amber was born in Cheboygan, MI. She has a lot of hobbies, she loves to travel with her family, and enjoys cooking. Amber's favorite place she has ever visited was Mackinac Island. In 10 years, she would like to have her CNA or become an RN. She has worked for

Assisted Living by Hillcrest for 6 months. When she isn't at work, she is spending time with her children. She has 3 boys and 2 girls. What she likes most about her job is making sure the residents are taken care of and making them smile. Amber is grateful to have

Amber as an employee!
