RESIDENT OF THE MONTH

VERONA GRIMM

Verona had two sisters. She is the baby of the family. They lost their father when Verona was only ten. She grew up on a farm in the Town of Woodville.

She has a wonderful family of five children, 29 grandchildren (one on the way), and one great-grandchild.

Verona worked at home, where she took care of her children and did the housework. After she married, she worked at Mertz Clover Farm Store and Ratajchek's Hardware Store, and then she farmed with her husband.

Some of her hobbies included cooking, baking, and embroidering dish towels to give them away for gifts. She also made Schaum Torte for special occasions.

Verona indicated that all of her friends and caregivers at Brillion West Haven are so special to her, and they take such great care of her. She would recommend this facility to everybody.

EMPLOYEE OF THE MONTH

KYLE DOOLITTLE

Kyle is truly an amazing guy. He has been with Hillcrest for about a year. He is our maintenance man and is our very own "Kyle on the spot." He likes to fix anything that is causing problems for our residents so he can make their day better.

Kyle grew up in Kaukauna and recently moved to Brillion. He does not have any children of his own yet, but he is a Godfather to Kensley and Brenley.

Kyle does a lot of hunting and fishing and loves to do anything outdoors. His favorite place to travel is anywhere Out West. He loves the mountains. In ten years, he hopes to still be at Brillion West Haven and doing something on the side in the hunting industry. Oh, and he enjoys watching the Packers!

When asked about his favorite food, Kyle indicated that he likes anything home cooked, but his favorite food is his mom's meatloaf.

If he won the lottery, Kyle would invest in hunting land all over the United States.
