RESIDENT OF THE MONTH

ANNABELLE WEBER

Annabelle, lovingly called “Annie,” grew up on a farm in Greenleaf with seven siblings of John and Myrtle Brittnacher. She married Art Weber in 1951, and they had nine children – five girls and four boys. She has 36 grandchildren and 37 great-grandchildren.

Annie farmed at first and then raised her nine children. She also worked at White Clover Dairy and volunteered at St. Vincent De Paul.

Annie was a softball player and loved gardening, baking, snowmobiling, fishing, mowing the lawn, playing cards, and traveling. She also volunteered at St. Patrick’s Church in Askeaton. She loves spending time with her friends and family.

Her favorite thing about living at Brillion West Haven is visiting with the people, joining in the activities, and eating the food. She enjoys the great care she receives from the caregivers. Be thankful for what you have as someone else has it worse. Enjoy the sunshine! Annie is still waiting for her million dollars!

EMPLOYEE OF THE MONTH

LEAH WEATHERSPOON

Leah has worked for Assisted Living by Hillcrest for nine months. She currently is a caregiver at Brillion West Haven. She spends a lot of time with our residents, fixing their hair and making them smile.

Leah is 22 years old. She was raised in Green Bay. She is one of nine kids, living in a crazy house.

She loves to be outdoors, in the sun with some good food. She also loves to watch movies, basketball, and volleyball. Her favorite food is pizza and tacos with a margarita.

In ten years, Leah sees herself on the road with her trailer/van, waking up in the rainforest. She would like to travel anywhere, but mostly to Europe.

If Leah wins the lottery, she would not tell anyone but her mother. She would give her mother some...and disappear!

RECIPE OF THE MONTH

CRAB PHYLLO CUPS

If you are out of crab, try them with water-packed tuna.

- ✓ ½ cup reduced-fat spreadable garden vegetable cream cheese
- ✓ ½ tsp seafood seasoning
- ✓ ¾ cup lump crabmeat, drained
- ✓ 2 packages (1.9 oz each) frozen, miniature phyllo tart shells
- ✓ 5 tbs chili sauce

In a small bowl, mix cream cheese and seafood seasoning; gently stir in crab. Spoon two teaspoons crab mixture into each tart shell. Top with chili sauce. Yield: 2-1/2 dozen.
