RESIDENT OF THE MONTH GLORIA VANDERMOSS

Gloria was born in Green Bay. She has three brothers and four sisters. She married Robert Vandermoss, and they have four children, eight grandchildren, and nine grandchildren.

Gloria worked in a cheese factory until her children were born. She was a stay-at-home mom. After raising her children, Gloria worked part time at a dry-cleaners and then for a research company at the Fox River Mall, surveying shoppers.

Gloria loved to watch her husband dirt track race in Green Bay. They also took trips to casinos around the country. They loved going to their cottage in Mountain, playing cards, having fish boils with relatives, and traveling to Washington Island, where Gloria is from. She also enjoys spending time with her family and friends and attending family parties.

Gloria loves playing Bingo and doing the activities here, at Brillion West Haven. She loves visiting with the residents. The workers take great care of her, which puts her families minds at ease. She enjoys the happy hours and thoroughly enjoys the great meals.

EMPLOYEE OF THE MONTH ASPEN LEE

Aspen was hired by Assisted Living by Hillcrest on 10/15/24. She is currently working in the kitchen here, at Brillion West Haven. Her favorite part of her job is talking to the residents and building friendships with everyone here.

Aspen's grandparents came to the USA from Finland. She is from Michigan.

Aspen loves to do arts/crafts, write, write in her journal, and play video games. Her favorite video game right now is "House Flipper." Her favorite food is spicy ramen, hot pot, and cheeseburgers.

She prefers not to think about what may happen in ten years as she likes to "let the wind take me where it wants." She would like to travel to Ireland some day. If she wins the lottery, she will vanish, indicating we will not see her again, not even her family.

IN LOVING MEMORY....

Brillion West Haven extends our deepest sympathies to the friends and families of Virginia Levash, Kathy Engler, and Judy Roggenbauer. They will be missed.

THANK YOU!

A very heartfelt Thank You to Donna Krippner and Karen Huske for bringing in beautiful lap quilts for our Bingo Buck Store. Trinity Lutheran in Brillion dropped off some Easter Lilies and goodie bags for our residents to enjoy. BWH Employee Cheryl and her family donated many purses, shoes and miscellaneous items for our Bingo Bucks Store. Alice Hoyer also donated some items.

This Memorial Day, and every day, remember to thank God for our residents and people in this country who have served, or still serve, in our military and have fought, or continue to fight, for our freedom. We are truly blessed to live in this beautiful country where we sometimes take our freedom for granted. Also, remember to directly thank the people who have served or still serve in our military for they have given up so much for us.
